No man could have put this Bible together with its unbroken chain of perfection and the interweaving of the histories that overlap and add one to another. Centuries of time as well as geographical boundaries separated the writers of our Holy Bible; and yet it remains perfected and has been personified to the Holiness of God Himself.

***The Word of God is not bound***

II Timothy 2:9

## The People Who Corrupt the Word of God!

The modern reviser and common church-going corrupters of the Word of God are located, identified, described, judged and condemned in the following passages, which were preserved in a text that they would not have thought to meddle with until AFTER it was declared canonical and fixed - the Old Testament in Hebrew!

1. They are afraid of the results of street preaching & any public ministry. **Jeremiah 36:10,16; John 11:47,48**
2. They resent the fact that the spoken word is for the common "man in the street". **Jeremiah 36:6,10; Acts 5:28,40**
3. They are worried about the political consequences of a message that destroys "unity". **Jeremiah 38:4, John 11:47,48**
4. They usually are high up in the political world, and have "mixed motives" in regard to Bible translations. **Jer 38:4,5; 36:16,20**
5. They have access to the true scriptures, as anyone else does. **Jeremiah 36:11,13; Isaiah 45:19.**
6. They do NOT fear and tremble at the reading of the true word of God whereas, a real believer will every time. **Jeremiah 36:24, II Chronicles 34:26,27.**
7. They are noted for "shorter readings" which are arrived at by cutting the verses out. **Jeremiah 36:23.**
8. They have an affinity for Egypt, and trust Egyptian scholarship and military power. **Jeremiah 41:17; 42:1-4; 43:1-4**
9. They are optimistic about world peace and speak of it frequently. **Ezeziel 13:7,16. Jeremiah 23:16,17**
10. They are DEISTS in their approach to translating. They assume that all similarities in verses are due to copying, and that there is no such thing as a book written under inspiration, without a reference to some other book. To them, God is "out of the question" when it comes to preservation, and they feel free to handle His writings as they see fit. **Ezekiel 8:12 Jeremiah 43:2,3**
11. They can be spotted in any generation by a smooth, slick, scholarly vocabulary, and the adoption and use of words that are not in the Bible vocabulary, but are in "University vocabularies" of the day and age in which they live. **Romans 16:18; Jude 16**
10. They are attempting to rid the world of the Word, under the hypocritical pretense of "seeking to restore the originals." **Jeremiah 36:17**

***For we are not as many, which corrupt the word of God: but as of sincerity, but as of God, in the sight of God speak we in Christ.***

II Corinthians 2:17

**In the beginning was the Word  
and the Word was with God  
and the Word was God.**

**AND THE WORD WAS  
MADE FLESH  
AND DWELT AMONG US**

**And he was clothed with a  
vesture dipped in blood:  
and his name is called**

**The Word of God**

*So he drove out the man;  
and he placed at the east of the  
garden of Eden Cherubims,  
and a flaming sword  
which turned every way,  
to keep the way of the tree of life.*

Genesis 3:24
